THE COMMONWEALTH OF VIRGINIA  
AND  
ASAP SOFTWARE**

**1. SCOPE OF CONTRACT**

This is a Master Agreement (the "Agreement" or "Contract") between the Commonwealth of Virginia, hereinafter referred to as "Commonwealth" or "State" or "DIT" (Department of Information Technology) and ASAP SOFTWARE (the "Contractor"), a wholly-owned subsidiary of Buhrmann NV, a Dutch corporation with its principal domestic place of business at 850 Asbury Drive, Buffalo Grove, IL 60089. This Agreement contains the Contractual terms and conditions by which the Commonwealth will establish a Master Software Reseller Ordering Agreement for State Agencies, Institutions, and other public bodies as defined in Section 2.2-4301. Definitions of the Virginia Public Procurement Act (VPPA), as amended, and hereinafter referred to as "Authorized Users" to acquire "Software" and "Services" pursuant to the Commonwealth's Request For Proposal #2003-41, dated April 4, 2003 (the "RFP") and the Contractor's proposal, dated May 5, 2003 in response thereto.

Upon award, all orders for Software and Services will be placed directly with the Contractor by Authorized Users.

The Virginia General Assembly passed legislation that abolishes the Department of information Technology as of July 1, 2003. All activities and functions of DIT will be consolidated into a new agency that will become the Virginia Information Technologies Agency ("VITA"). Therefore, for purposes of this Contract ("Agreement") all references to either the Commonwealth, or DIT, or VITA, shall have the same meaning.

**2. INTERPRETATION OF AGREEMENT**

As used in this Agreement, "Software" and "Software Product" shall include all related materials and documentation, whether in machine-readable or printed form. "Services" shall include all maintenance and support services.

The documents comprising this Agreement, and their order of precedence in case of conflict, are: (1) this document, consisting of Terms and Conditions labeled 1 through 58, Attachment A, entitled *Product Pricing* and Attachment B entitled *Lobbying Certificate*; (2) the Commonwealth's RFP 2003-41, dated April 4, 2003, and amendments thereto, (3) the Contractor's proposal dated May 2, 2003 in response to the Commonwealth's RFP 2003-41 dated April 4, 2003 and amendments thereto; and (4) all executed Orders and Attachments referencing this Agreement

2A  
27.Jul.03

If any term or condition of this Agreement is found to be illegal or unenforceable, it shall be severed, and the validity of the remaining terms and conditions shall not be affected.

Nothing in this Agreement shall be construed as an express or implied waiver of the Commonwealth's sovereign or Eleventh Amendment immunity, or as a pledge of its full faith and credit.

### **3. VENDORS MANUAL**

This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at [www.dgs.state.va.us/dps](http://www.dgs.state.va.us/dps) under "Manuals."

### **4. APPLICABLE LAWS AND COURTS**

This solicitation and any resulting Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations.

### **5. ANTI-DISCRIMINATION**

By submitting their offers, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and §2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, Services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E)

In every Contract over \$10,000 the provisions in a. and b. below apply:

- a. During the performance of this Contract, the Contractor agrees as follows:

- 1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
  - 2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
  - 3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for meeting these requirements.
- b. The Contractor will include the provisions of 1, above, in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

## **6. ETHICS IN PUBLIC CONTRACTING**

By submitting their offers, offerors certify that their offers are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their offer, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

## **7. IMMIGRATION REFORM AND CONTROL ACT OF 1986**

By submitting their offers, offerors certify that they do not and will not during the performance of this Contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

## **8. DEBARMENT STATUS**

By submitting their offers, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting offers on Contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

*PK*  
*28-JUL-07*

## **9. ANTITRUST**

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

## **10. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs**

Failure to submit an offer on the official state form provided for that purpose shall be a cause for rejection of the offer. Modification of or additions to any portion of the Request for Proposal may be cause for rejection of the offer; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a offer as non-responsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the offeror withdraw or modify non-responsive portions of an offer which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the Contract shall be effective unless reduced to writing and signed by the parties.

## **11. CLARIFICATION OF TERMS**

If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer no later than April 17th. Any revisions to the solicitation will be made only by addendum issued by the buyer.

## **12. PAYMENT**

### **a. To Prime Contractor:**

1) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

3) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

5) **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 2.2-4363).

**b. To Subcontractors:**

1) A Contractor awarded a Contract under this solicitation is hereby obligated:

(a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or

(b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

### **13. QUALIFICATIONS OF OFFERERS**

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the Contract and to provide the services and/or furnish the goods contemplated therein.

### **14. TESTING AND INSPECTION**

The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

### **15. ASSIGNMENT OF CONTRACT**

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

### **16. MODIFICATIONS**

This Contract may be modified in accordance with 2.2-4309 of the Code of Virginia. Such modifications may only be made by the representatives noted below. No modifications to this Contract shall be effective unless it is in writing and signed by the duly authorized representative of both parties. No term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent to breach is in writing.

Any Contract issued on a firm fixed price basis may not be increased more than twenty five percent (25%) of \$50,000.00 whichever is greater, without the approval of the Governor of the Commonwealth of Virginia or his authorized designee.

## **18. USE OF BRAND NAMES**

Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article that the public body, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly specify and identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified.

## **19. TRANSPORTATION AND PACKAGING**

By submitting their offer, all offerors certify and warrant that the price offered for F.O.B. destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

## **20. INSURANCE**

By signing and submitting a proposal under this solicitation, the offeror or offeror certifies that if awarded the Contract, it will have the following insurance coverages at the time the Contract is awarded. For construction Contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the Code of Virginia. The offeror or offeror further certifies that the Contractor and any subcontractors will maintain these insurance coverages during the entire term of the Contract and that all insurance coverages will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

### **INSURANCE COVERAGES AND LIMITS REQUIRED:**

- a. Worker's Compensation - Statutory requirements and benefits.

RA  
2203 JU

- b. Employers Liability - \$100,000.
- c. Commercial General Liability - \$500,000 combined single limit. Commercial General Liability is to include Premises/Operations Liability, Products and Completed Operations Coverage, and Independent Contractor's Liability or Owner's and Contractor's Protective Liability. The Commonwealth of Virginia must be named as an additional insured when requiring a Contractor to obtain Commercial General Liability coverage.

## **21. ANNOUNCEMENT OF AWARD**

Upon the award or the announcement of the decision to award a contract as a result of this solicitation, ASD will publicly post such notice on its website at <http://asd.state.va.us/> for a minimum of ten (10) days. Additionally, a public posting of the award will be available on the eVA webpage at <http://awards.dgs.state.va.us/Award-View.asp>.

## **22. DRUG-FREE WORKPLACE**

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

## **23. NONDISCRIMINATION OF CONTRACTORS**

An offeror or Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, or disability or against faith-based organizations. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

## **24. eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION**

The eVA Internet electronic procurement solution, web site portal [www.eva.state.va.us](http://www.eva.state.va.us), streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service, and complete the Ariba Commerce Services Network registration.

Vendors are strongly encouraged to register prior to submitting a bid or offer. Failure to register will result in the bid being found non-responsive and rejected. All vendors must register in both the eVA and the Ariba Commerce Services Network Vendor Registration Systems.

a. eVA Basic Vendor Registration Service: \$25 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is \$500 per order. eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, on-line registration, and electronic bidding, as they become available.

b. eVA Premium Vendor Registration Service: \$200 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is \$500 per order. eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments, and ability to research historical procurement data, as they become available.

Effective until July 1, 2003, the Commonwealth will direct AMS not to invoice for the 1% transaction fee for orders issued during the period July 1, 2002, through June 30, 2003, to allow additional time for vendors to become electronically enabled. AMS will continue to invoice for transaction fees accrued prior to July 1, 2002. To enable vendors to analyze the future impact of transaction fees, AMS will issue "no pay"

RA  
21 Jul 03

invoices for transaction fees that would normally accrue during the period of July 1, 2002, through June 30, 2003. For contracts that extend beyond June 30, 2003, contractors may request price adjustments to incorporate the eVA transaction fee, as provided in the Price Escalation/De-escalation clause in the Terms and Conditions of the contract.

c. Ariba Commerce Services Network Registration. The Ariba Commerce Services Network (ACSN) registration is required and provides the tool used to transmit information electronically between state agencies and vendors. There is no additional fee for this service.

## **eVA BUSINESS-TO-GOVERNMENT CONTRACTS**

The eVA Internet electronic procurement solution, web site portal [www.eva.state.va.us](http://www.eva.state.va.us), streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Failure to comply with the requirements in a. and b. below will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

a. Submit a fully executed American Management Systems, Inc., (AMS) Trading Partner Agreement, a copy of which can be accessed and downloaded from [www.eva.state.va.us](http://www.eva.state.va.us). AMS is the Commonwealth's service provider to implement and host the eVA e-procurement solution.

b. Provide an electronic catalog (price list) for items awarded under a term contract. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from [www.eva.state.va.us](http://www.eva.state.va.us).

## **25. BREACH**

The Contractor shall be deemed in breach of this Agreement if the Contractor (a) fails to make any Product or Service ready for acceptance testing by the specified delivery date; (b) repeatedly fails to respond to requests for maintenance or other required service within the time limits set forth in this Agreement; (c) fails to comply with any other term of this Agreement and fails to cure such noncompliance within ten days (or such greater period as is acceptable to the Commonwealth) following Contractor's receipt of a Show Cause Notice identifying such noncompliance; or (d) fails to provide a written response to the Commonwealth's Show Cause Notice within ten days after receiving same.

RAK  
27 JUN 03

The Contractor shall not be in breach of this Agreement if its default was due to causes beyond the reasonable control of, and occurred without any fault or negligence on the part of, both the Contractor and its subcontractors. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Commonwealth in either its sovereign or Contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.

In the event of breach, in addition to any other remedies provided by law, the Commonwealth may cancel its obligations with respect to any or all unaccepted Products or Services. All costs for de-installation and return of Products shall be borne by the Contractor. In no event shall any failure by the Commonwealth to exercise any remedy available to it be construed as a waiver of or consent to any breach.

## **26. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS**

Any commitment made by the Contractor within the scope of this Contract shall be binding upon Contractor. For the purposes of this Contract, a commitment by the Contractor includes:

- a. Prices and options committed to remain in force over a specified period(s) of time;
- b. Any written warranty or representation made by the Contractor in this solicitation as to hardware or software performance, or other physical design or functional characteristics of that which is offered.

## **27. DELIVERY DATE**

The Contractor shall deliver the Products, and Software ready for testing, by the delivery date specified in any executed Attachment or Order referencing the Agreement, or within five (5) days After Receipt of the Order (ARO) if no date is specified. If delivery of all Products and Software is not completed within the time specified, the Commonwealth may cancel the Agreement or any individual Order without further obligation. The Commonwealth may postpone any delivery date by notifying the Contractor at least seven (7) days prior to the delivery date. However, the delivery date shall not be postponed more than a total of thirty (30) days.

## **28. AVAILABILITY OF SOFTWARE**

The Contractor represents and warrants that all Products were formally announced for marketing purposes before execution of this Agreement or, in the case of subsequent Orders, before execution of such Orders.

## **29. PRODUCT CONDITION**

All products to be supplied by Contractor shall be new.

## **30. PATENT/COPYRIGHT PROTECTION**

Contractor, at its own expense, shall defend any suit brought against the Commonwealth for the infringement of patents, copyrights or trade secrets enforceable in the United States if the claim of infringement is alleged to relate to or arise from the Contractor's or Commonwealth's use of any Software, materials or information prepared, developed or delivered in connection with performance of this Agreement. In such suit, Contractor shall indemnify the Commonwealth, its agents, officers and employees for any loss, liability or expense incurred as a result of such suit.

The purchasing agency shall notify the Contractor of such suit within a reasonable time after learning of it and shall give the Contractor the full right and opportunity to conduct the defense of the suit, subject however to the requirements of Section 2.2-510 and Section 2.2-514 of the Code of Virginia or any successor statute. If principles of governmental or public law are involved, the Commonwealth may, at its option and expense, participate in the defense of the suit.

The Contractor shall not be required to indemnify the Commonwealth for liability arising solely out of the Commonwealth's own specifications or design or solely from the combination of Software furnished hereunder with any Software not supplied by the Contractor.

If, any Product or Service becomes, or in the Contractor's opinion, is likely to become, the subject of a claim of infringement, Contractor may, at its option, provide non-infringing substitutes that are satisfactory to the Commonwealth, or at Contractor's option and expense, may obtain the right for the Commonwealth to continue the use of such Product or Service.

If the use of such Software by the Commonwealth is prevented by permanent injunction or by Contractor's failure to procure the right for the Commonwealth to continue using the Software, the Contractor agrees to take back the infringing Software, materials or information and refund the total amount the Commonwealth has paid Contractor under this Agreement, less one half (1/2%) percent of the total paid for each month of use by the Commonwealth. This obligation is in addition to the obligations cited in the first four subparagraphs above.

### **31. NON-APPROPRIATION**

All funds for payment of Software or Services ordered under this Contract are subject to the availability of legislative appropriation for this purpose. In the event of non-appropriation of funds by the Legislature for the items under this Contract, the Commonwealth will terminate this Contract for those goods or services for which funds have not been appropriated. Written notice will be provided to the Contractor as soon as possible after legislative action is completed.

If any purchases are to be supported by federal funding, and such funding is not made available, the Commonwealth may terminate this Contract for goods or services dependent on such federal funds without further obligation.

### **32. HEADINGS NOT CONTROLLING**

Headings used in this Contract are for reference purposes only and shall not be considered to be a substantive part of this Contract.

### **33. PRICE PROTECTION/ADJUSTMENTS**

The State will not pay any additional costs above those costs provided for in the Schedule identified herein. In no event may the amount of any Contract, without adequate consideration, be increased for any purpose.

Any price decrease effectuated during the Contract period by reason of market change shall be passed on to the Commonwealth of Virginia. This decrease will be effective on the date the price decrease is announced to the general public.

### **34. TERM**

The Commonwealth at its sole discretion may extend this Agreement for three (3) additional one (1) year periods. The Commonwealth will issue a written notification to the Contractor stating the extension period, 30 days prior to the expiration of any current Term.

### **35. INVENTIONS AND COPYRIGHTS**

The Contractor is prohibited from copyrighting any papers, reports, forms or other materials, and from obtaining any patent on any invention or other discovery resulting solely from its performance under the terms and conditions of this Contract.

### **36. CONTRACTUAL RECORDS**

All Contractual books, records and other documents related to matters under this Contract shall be made available by Contractor to the State and its designated agents for a period of five (5) years after final payment for purposes of audit and examination.

Contractual records are hereby further defined as this Contract and all delivery/purchase orders, invoices or correspondence directly relating to this agreement.

### **37. LIMITATION OF LIABILITY**

To the maximum extent permitted by applicable law, the Contractor will not be liable under this Contract for any indirect, incidental, special or consequential damages, or damages from loss of profits, revenue, data or use of the supplies, Software, and/or services delivered under this Contract. in cost between the original Contract price and the State's cost to cover from the alternate source. **CONTRACT VA-030700-ASAP**

***PRODUCT PRICING***

Attachment "A" is hereby incorporated into and made an integral part of Agreement Number VA-030700-ASAP between ASAP SOFTWARE and the Commonwealth of Virginia.

In the event of any discrepancy between this Attachment "A" and Contract VA-030700-ASAP, the provisions of Contract VA-030700-ASAP shall control.

**1. PRICING**

FOB price for all Products and Services delivered under this Agreement are identified below. Pricing is based as a percentage markup over Commonwealth of Massachusetts's contract pricing for Contract # ITS14. All orders for Software and Services will be placed directly with the Contractor by Authorized Users. Software products supplied by Contractor shall be new and have a ninety (90) day return to vendor/manufacture warranty. For any Product that does not meet any published specification from the vendor/manufacture, the Authorized User may return the Product for a full refund during this ninety (90) day period. The ninety (90) day period commences upon a successful acknowledged delivery and continues unabated for ninety (90) consecutive days. All other features, performance specifications and characteristics, warranty, maintenance and support requirements shall be in accordance with Contract VA-030700-ASAP.

In general, all commercial software products will be purchased at the price of 1.2% over the Commonwealth of Massachusetts contract pricing for ITS14. In addition to the standard markup, several volume agreements will be put in place with various software publishers as identified below. Pricing for Volume Agreements will be calculated in one of two ways: Category 1 Volume Agreements will be priced at the standard 1.2% markup over Commonwealth of MA Contract # ITS14 and refer to volume-level pricing in Massachusetts' contract. Pricing for Category 2 Volume Agreements will be calculated by applying a discount to the volume program's price list, as defined below. ASAP will continue to work with publishers of commercial software to develop volume programs of additional incremental benefit to the Commonwealth. Any such volume agreement may be subsequently added to this contract as a future modification to this Contract VA-030700-ASAP.

**Category 1 Volume Agreements**

\*Notwithstanding anything in this Agreement to the contrary, Contractor shall have the right to request a Modification to this Agreement on a quarterly basis to adjust the Percentage Discount in the event and to the extent that Contractor's cost of procuring any Software, Services or Products changes, including changes in pricing structure, MSRP or ERP pricing relative to cost, and volume performance incentives. Contractor shall be required to submit any manufacturer's documentation necessary to substantiate such adjustment; however, In no instance shall price escalate beyond Contractor's anticipated GSA price. In the event that a GSA schedule has not been awarded to the

PR  
01 Aug 09

Contractor for a contract product(s), then Contractor and the Commonwealth shall mutually agree upon a reasonable price(s), for specified periods during the remainder of the contract term. If the Contractor is successfully awarded a GSA pricing schedule for a contract product(s), then Contractor shall notify the Contracts Manager, VITA, and at that point in time it is understood that for future increases of this contract, pricing shall not exceed GSA pricing.

### **IFA/SCA Fee**

ASAP understands that the Industrial Funding Adjustment ("IFA") or Surcharge Adjustment ("SCA"), typically a 2% fee, is being waived for all orders processed under this Contract. Therefore, ASAP has reduced its pricing to the Commonwealth of Virginia accordingly. However, should Virginia reinstate an IFA or SCA fee during the term of this contract, then ASAP Software would be permitted to adjust contract discounts accordingly.

### **eVA Fee**

ASAP has reduced the current amount allocated for eVA to 0.6% and its calculations start at 0.6%. At the end of any given quarter, ASAP will report the dollar amount of orders related to this contract processed via eVA. If the dollar amount of orders is greater than 60% of the total dollars, then ASAP would immediately increase the amount allocated for the eVA fee by an additional amount as follows:

Dollar amount of eVA orders as a percentage of total contract dollars	eVA calculation amount
a. Between 0% and 30%	.30%
b. Between 30% and 60%	.60%
c. Between 60% and 75%	.75%
d. Between 75% and 100%	1.00%

ASAP will review on a quarterly basis, and the eVA calculation may change, but shall not drop below 0.6% in year 1 of the Contract so that ASAP may assess the seasonality of eVA usage over a full year. ASAP will continue to follow this same process after the year 1; however, if eVA did not exceed 30% as a percentage of total contract dollars in any quarter of year 1, then the eVA calculation amount may also fall into the first tier (.3%).

### **Credit Card Fee**

ASAP has reduced the current amount allocated for credit card fees to 0.6% and its calculations start at 0.6%. At the end of any given quarter, ASAP will report the dollar amount of orders related to this contract processed via procurement cards. ASAP will also calculate the total dollars the Commonwealth spends on credit card processing fees according to the following formula: 3% for American Express purchases and 2% for Visa/Mastercard purchases. ASAP will then determine the total fees spent on credit cards as a percentage of total Contract dollars that quarter.

As an example, if sales in a given quarter look like this:

Total contract dollars:	\$1,000,000
AmEx orders:	\$ 100,000
Visa/MC orders:	\$ 50,000
Total credit card fees:	$(\$100,000 \times 3\% + \$50,000 \times 2\%) / \$1,000,000 = .4\%$ of total contract dollars

If the percentage of total contract dollars exceeded .6%, then ASAP would immediately increase the amount allocated for credit card fees to reflect that new percentage for the subsequent quarter.

ASAP will review this on a quarterly basis, and the credit card calculation will change to cover its costs, but will not drop below 0.6% in year 1 of the contract so that it may assess the seasonality of credit card usage over a full year. ASAP will continue to follow this same process after the first year. After the end of year 1, the credit card fee may also be reduced below .6% (as applicable) to reflect actual spending in the previous quarter; however, for the term of the contract, the credit card fee will not be reduced lower than the highest actual quarterly percentage in year 1.

## **2. SHIP TO / BILL TO ADDRESSES**

Shipping and billing addresses will be included on the individual Orders of Authorized Users referencing this Contract.

## **3. DELIVERY SCHEDULE**

All shipments shall be FOB destination. Shipping charges shall be included in product pricing. No additional charges are allowed. The delivery schedule shall be specified in any executed Attachment or Order referencing the Agreement, or within five (5) days After Receipt of the Order (ARO) if no date is specified. If delivery of all Products and Software is not completed within the time specified, the Commonwealth may cancel the Agreement or any individual Order without further obligation.
